How to Create Third-Party Promotions for Altria Scan Data

What is Scan Data?

Scan data refers to transaction records captured by retailers when consumers make purchases. It is primarily used to:

✅ **Create discounts or promotions**.

✅ **Track sales records** for each day.

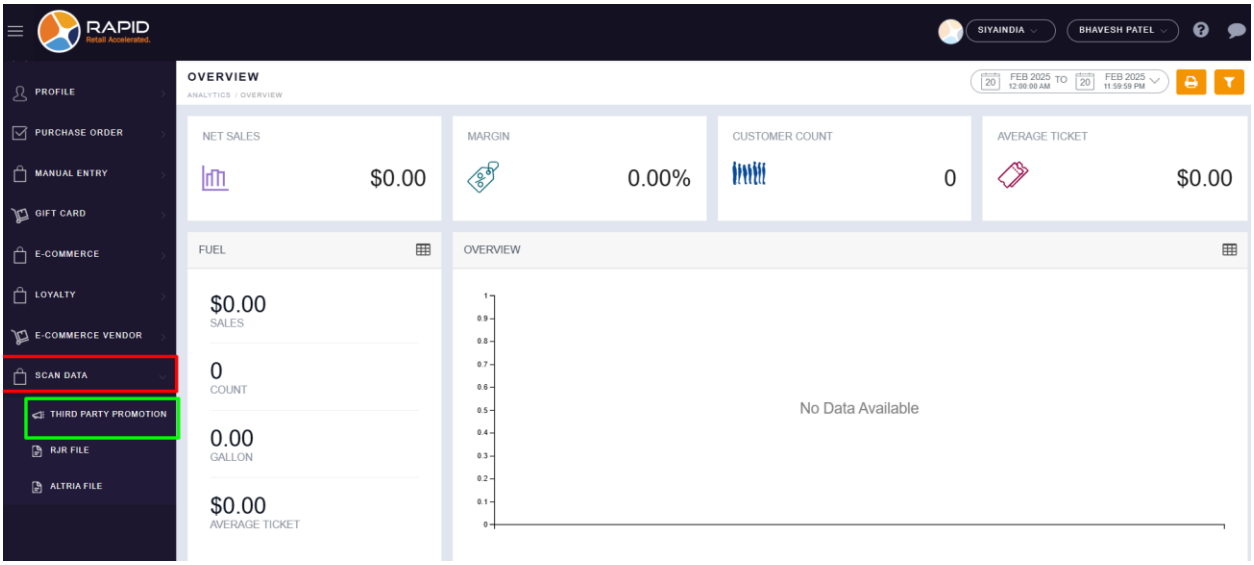
✅ **Transmit data weekly** to a vendor, agent, contractor, affiliate, or service provider via **SFTP** for business analysis and strategy.

Note:

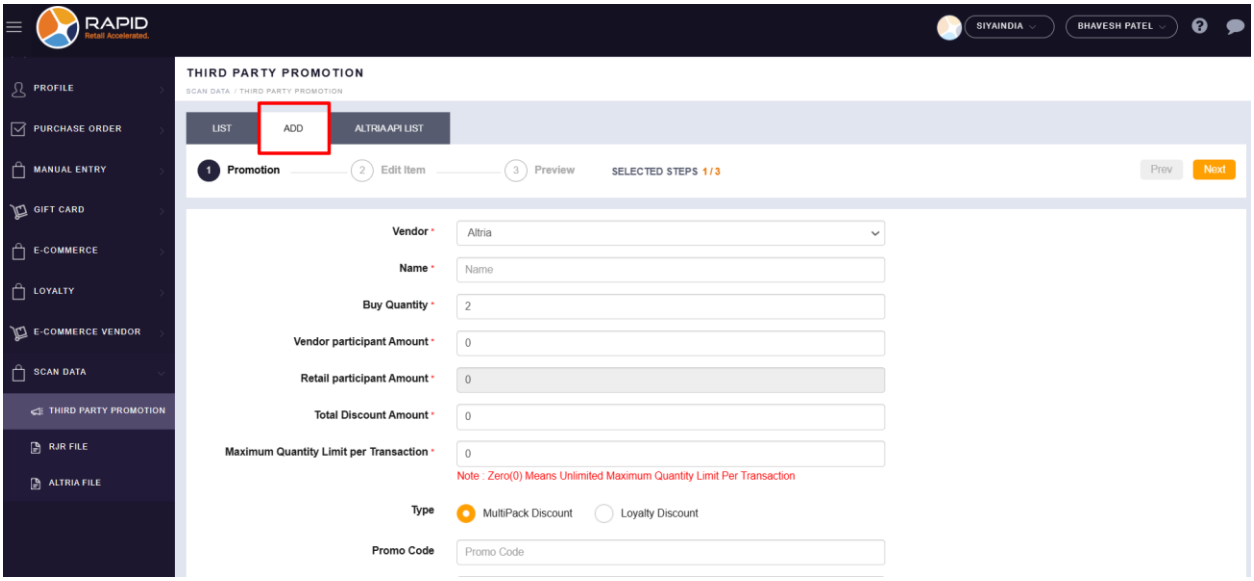
Before creating third-party **Scan Data promotions**, ensure that the **Scan Data module is enabled** in **BackOffice (BOS)**.
For assistance, contact the **support team**.

How to Create Third-Party Promotions

1. **Log in** to **RapidRMS BackOffice** using your credentials.
2. Navigate to the **Scan Data** module.
3. Click on **Third-Party Promotion** under the Scan Data module.



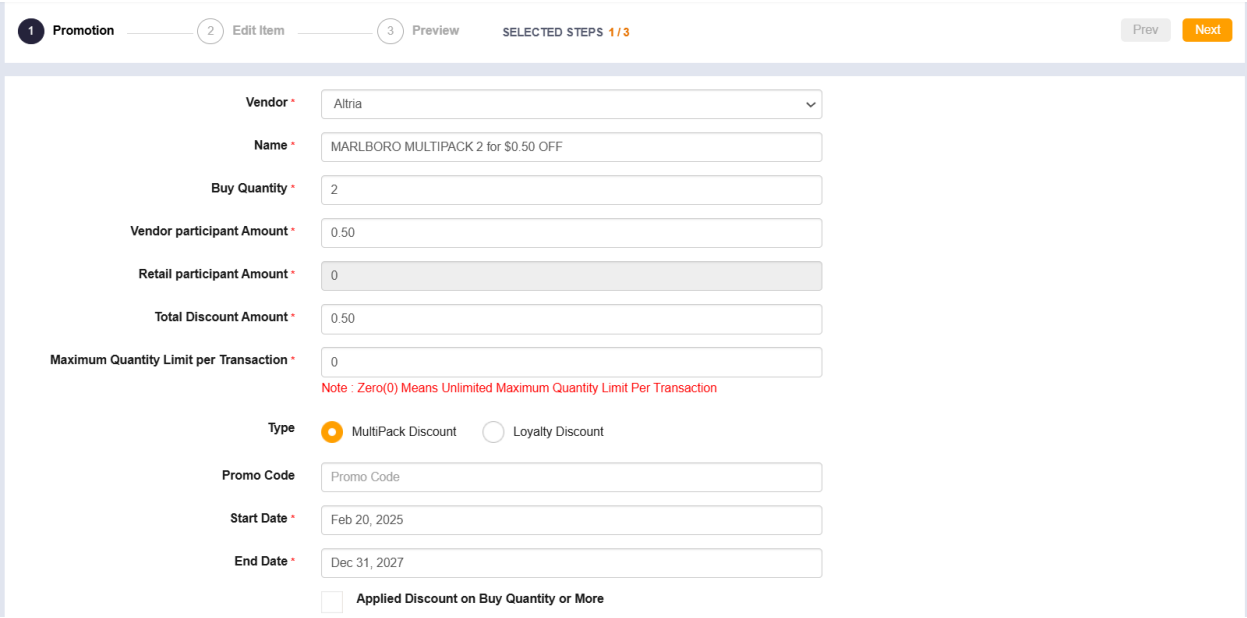
4. Click on the **"ADD"** button to create a new promotion.



5. Fill in the promotion details:

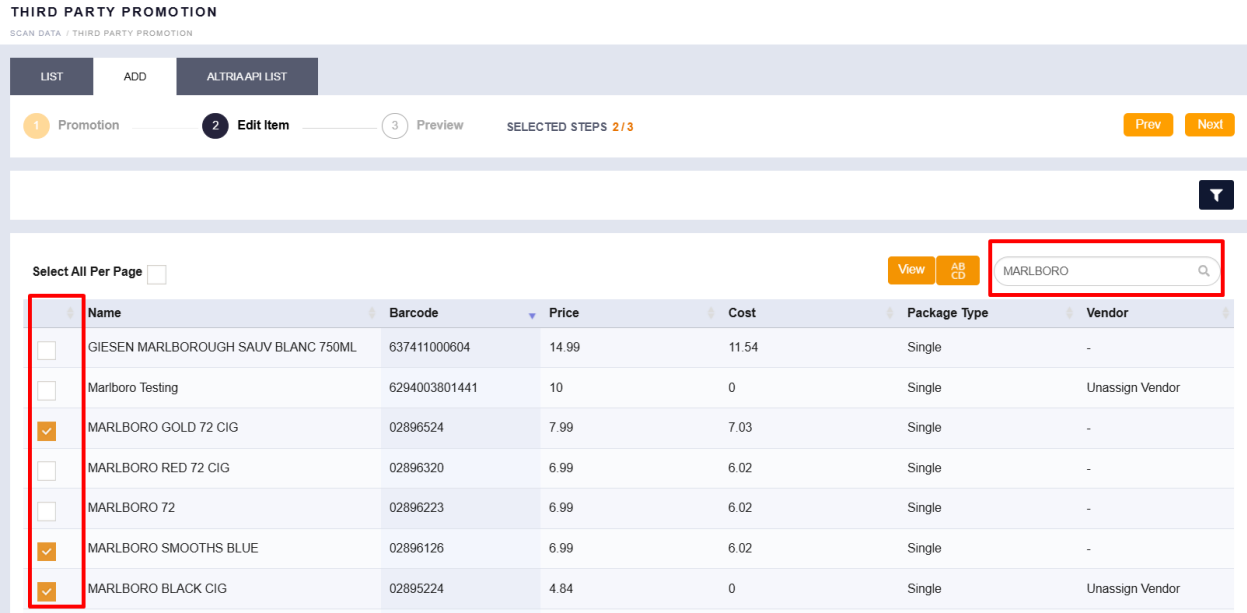
- **Vendor:** Select **ALTRIA** or **RJR**.
- **Name:** Enter a name for your promotion (e.g., *MARLBORO MULTIPACK 2 for $0.50 OFF*).
- **Buy Quantity:** Enter the minimum quantity required for the promotion.
- **Vendor Participant Amount:** Enter the discount provided by **Altria**.
- **Retail Participant Amount:** Enter the discount provided by the **store**.
- **Total Discount Amount:** This is the sum of **Vendor + Retail discounts**.
- **Maximum Quantity Limit per Transaction:** Enter the maximum quantity restriction per transaction.
- **Type:** Select the promotion type (*Multipack* or *Loyalty*).
  - If you select **Loyalty**, the **Stackable** option will appear.
  - The **Stackable** option must be selected for **Loyalty** promotions.
- **Promo Code:** Enter the promo code received from **Altria** (*Mandatory for Loyalty Promotions*).
- **Start Date:** Select the promotion start date.
- **End Date:** Select the promotion end date.

- **Apply Discount on Buy Quantity or More:** Select this option if you want to apply the discount to both **even and odd quantities**.

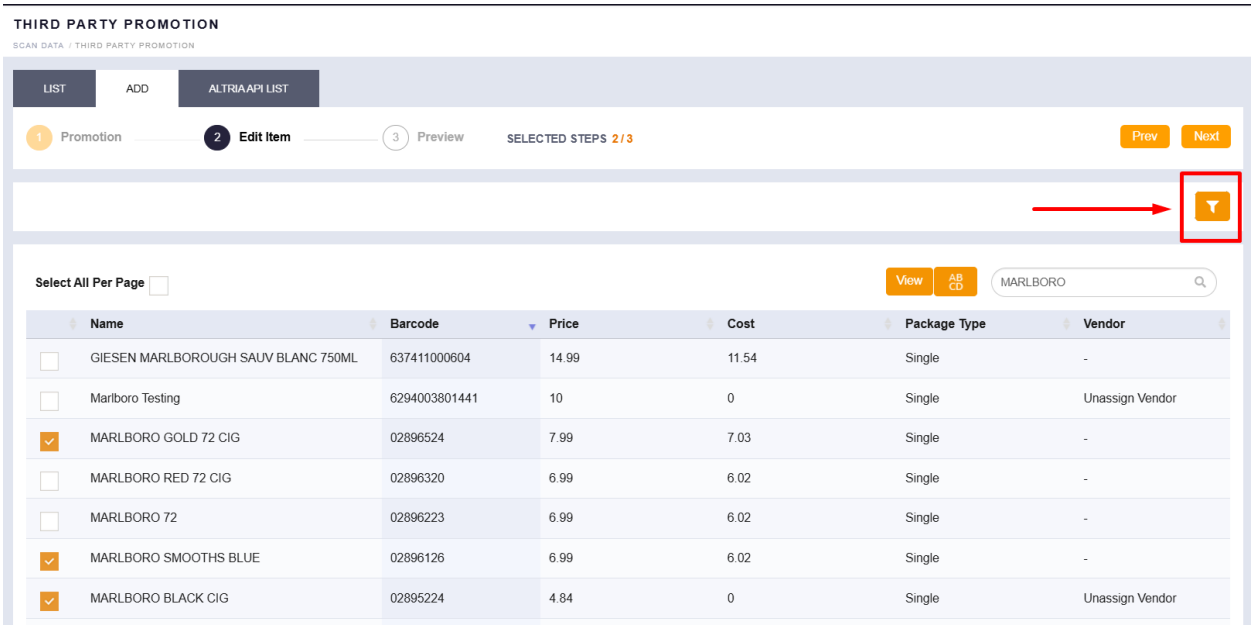


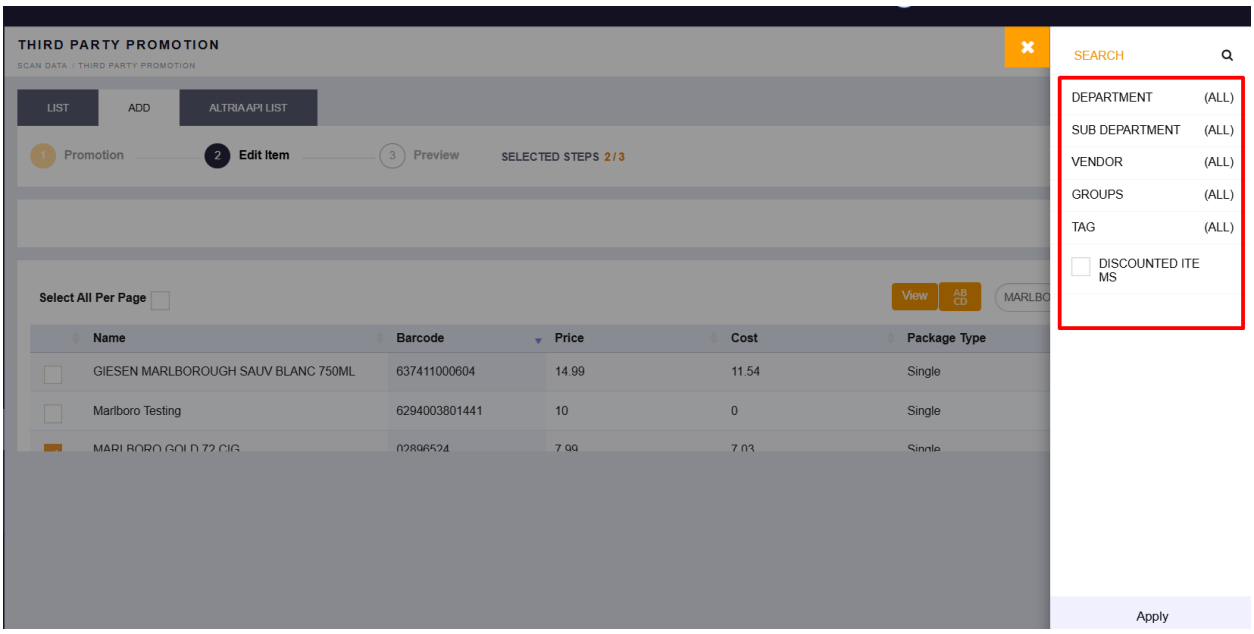
6. Click on **"NEXT"**.

7. Use the **search box** to find items related to the promotion and select them.



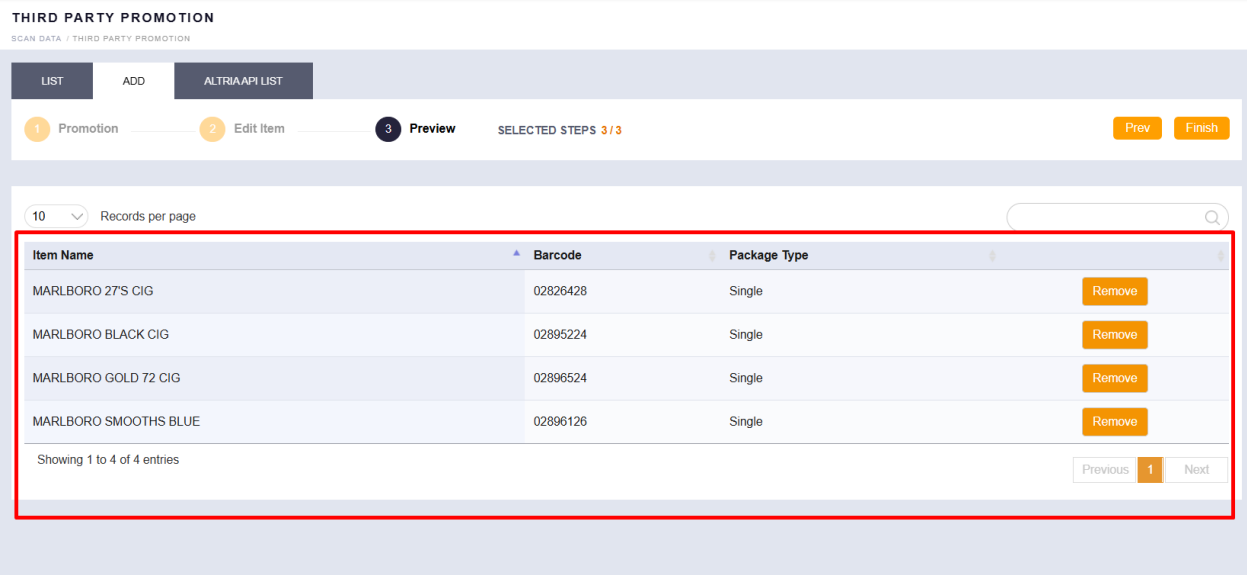
8. Alternatively, use the **filter option** (top-right corner) to find specific items.



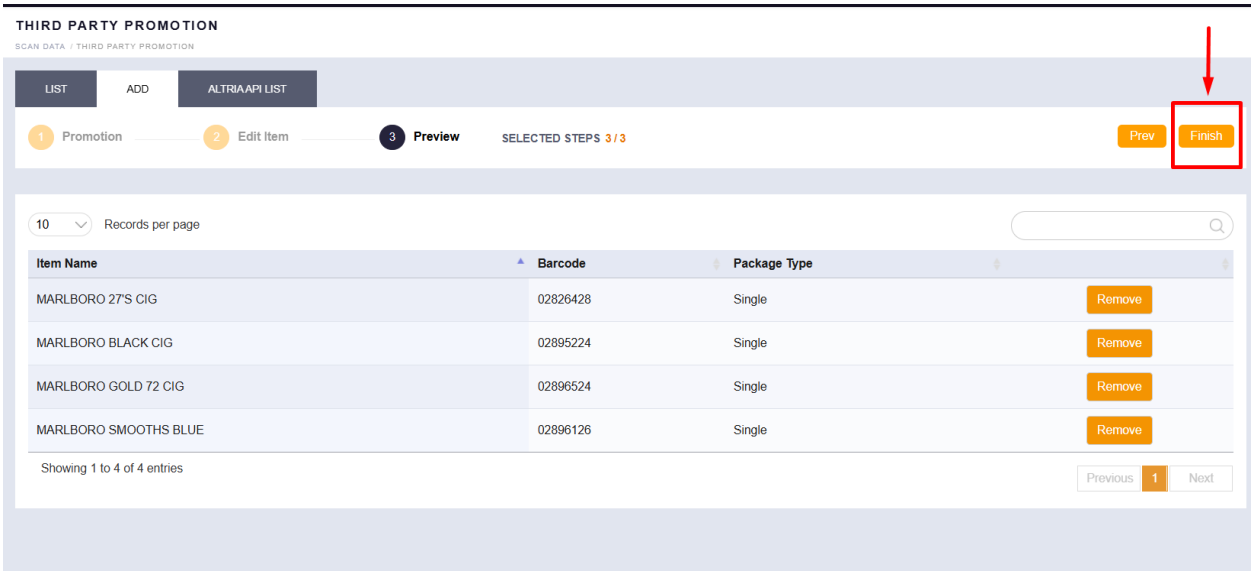


9. Click **"NEXT"** again.

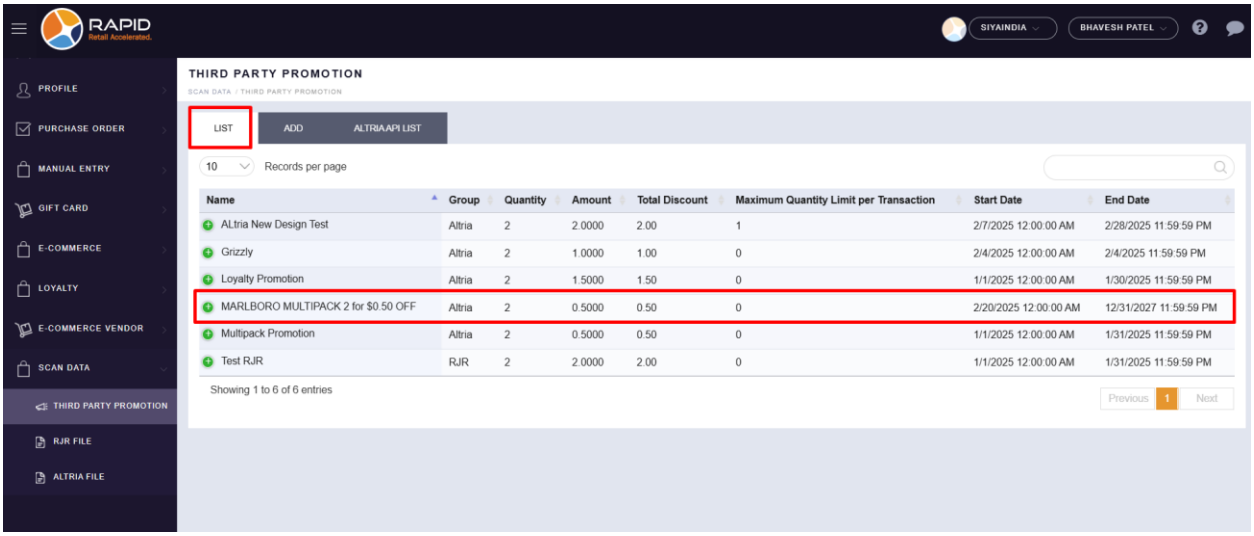
10. The selected items will appear in the **preview section**.



11. Click **"FINISH"** (top-right corner) to save the promotion.



12. Your newly created **Scan Data promotion** will now be listed.



Special Notes:

✓ **Scan Data promotions automatically sync** with the **POS Promotion module**.

✓ You **do not need to create the same promotion again in POS**.

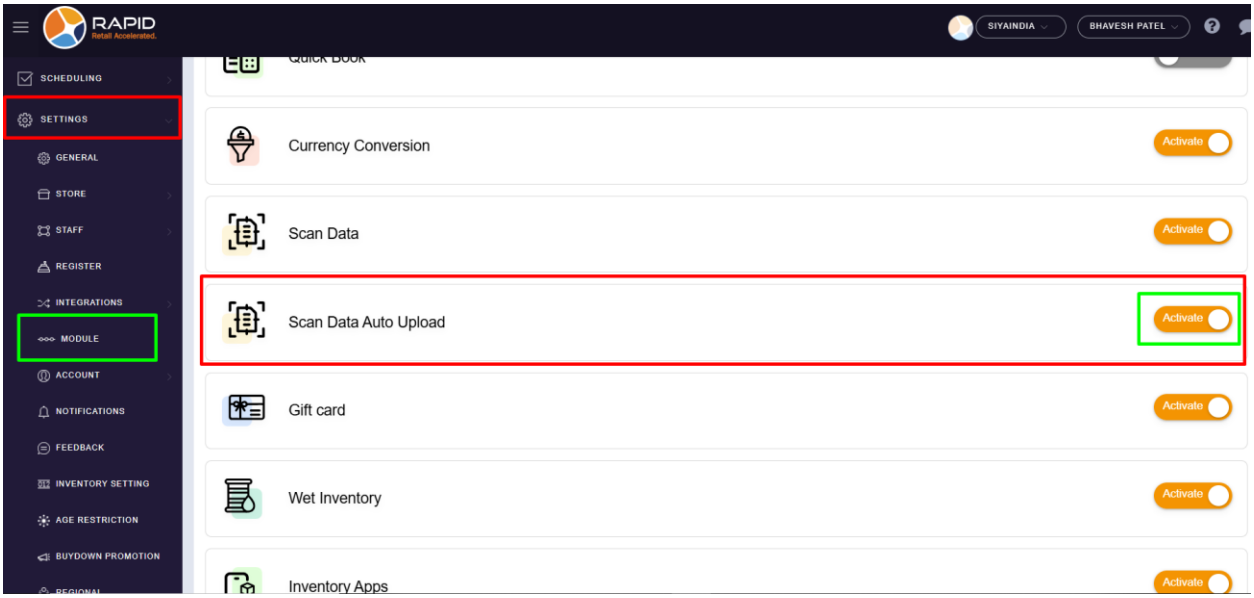
How to Submit the Altria Scan Data File from BackOffice

There are **two** ways to submit the **Altria Scan Data file**:

1. **Automatic Submission**
2. **Manual Submission**

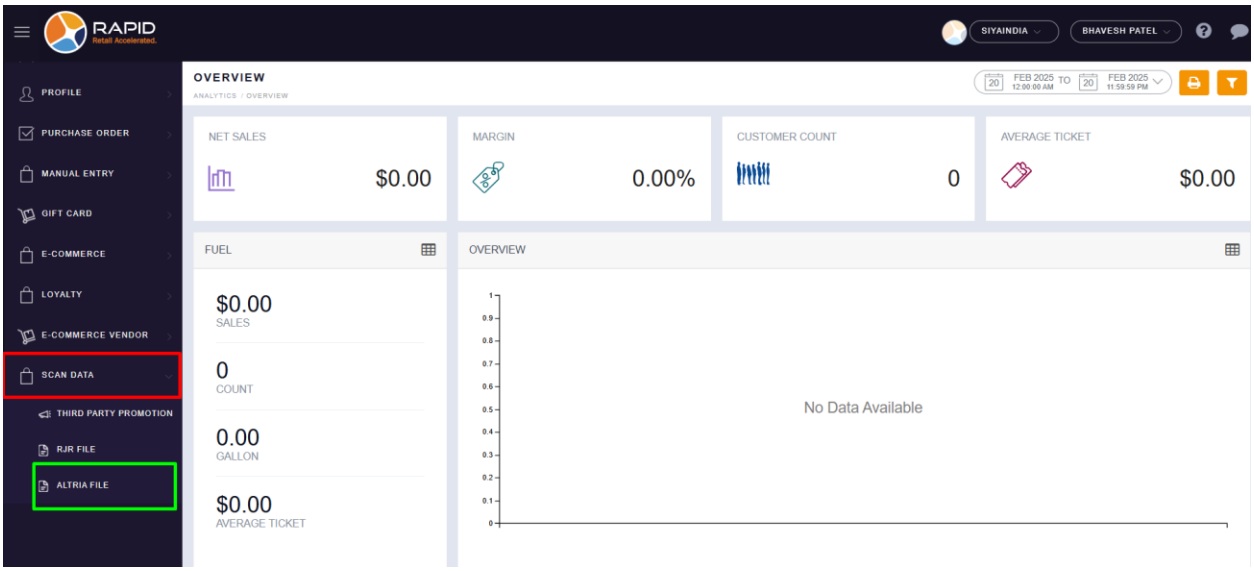
Automatic Submission (Auto Upload)

1. **Log in** to **BackOffice** using your credentials.
2. Navigate to **Settings**.
3. Under **Settings**, go to the **Modules** section.
4. Enable the **"Scan Data Auto Upload"** module.

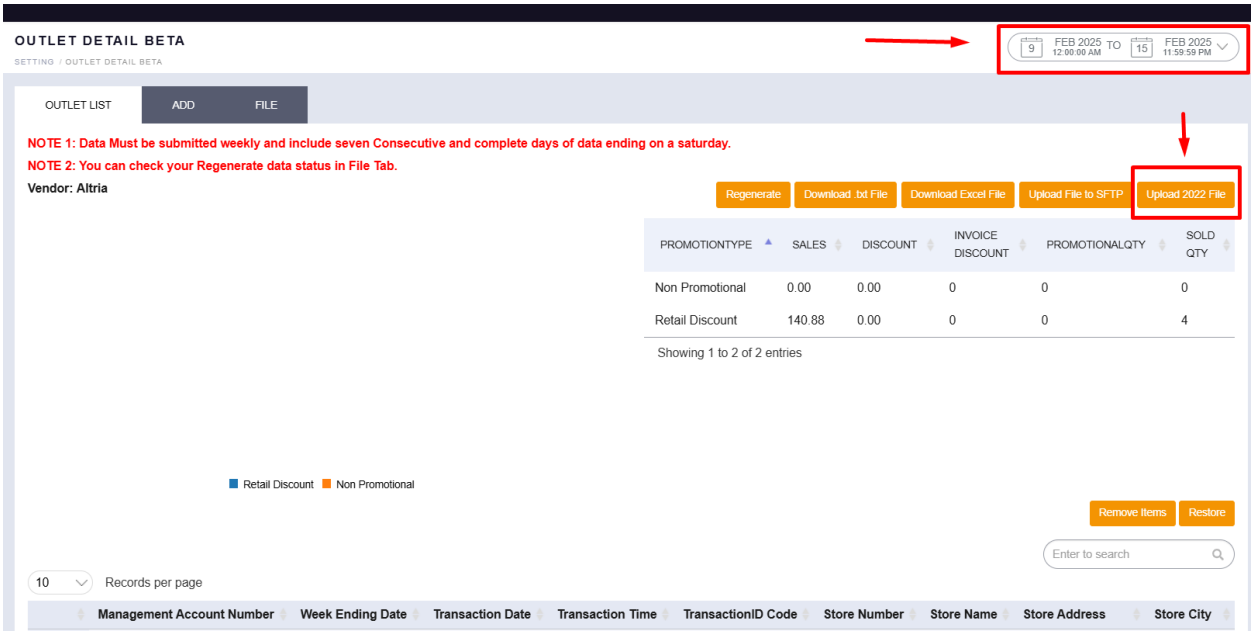


Manual Submission

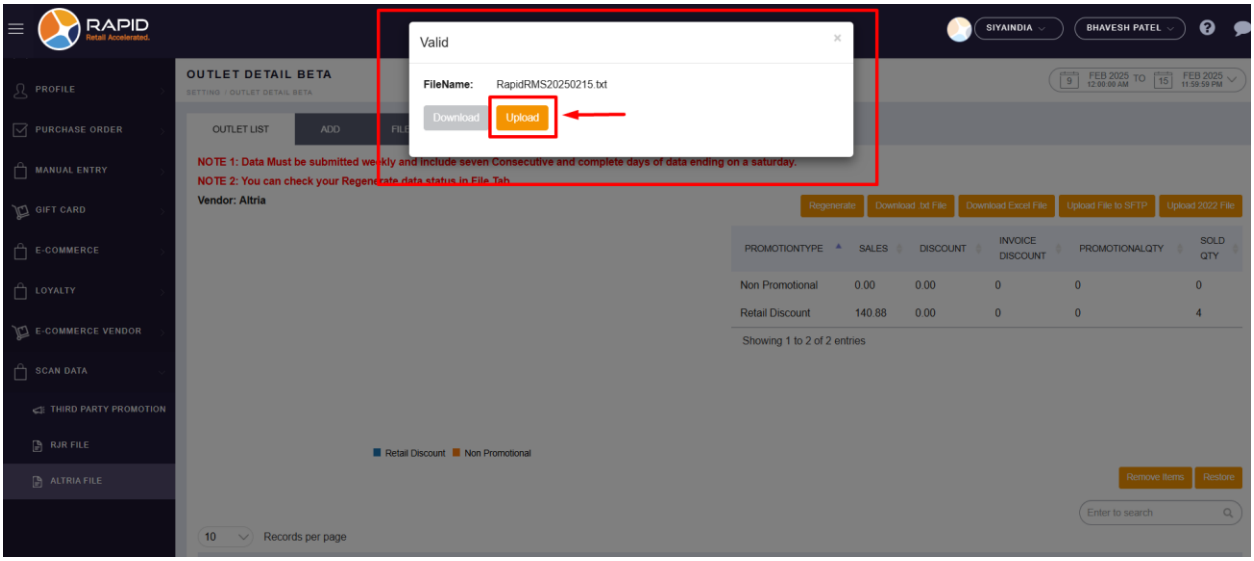
1. **Log in** to **BackOffice** using your credentials.
2. Navigate to the **Scan Data** module.
3. Click on **"Altria File"** under Scan Data.



4. Verify the **Scan Data file week period** (For **Altria**, it should be **Sunday to Saturday**).
5. Click on **"Upload 2022 File"**.



6. A confirmation message will appear. Click **"Upload"** to proceed.



7. To view previously submitted files, go to the **"File"** section.
